

Dear Award Recipient: (Land Preservation Society of Norton)

Re: **Funding for Appraisal of Bucklin Property, in Norton, MA, for conservation acquisition**

The Taunton River Stewardship Council (TRSC), at its December 7, 2017 meeting, voted to award your proposal a **\$2000.00** grant to help with costs. If you have not already done so, please send me a copy (by email is fine) of your organization's W-9 (or proof of non-profit status) so that I can send the check to you within the next few weeks. If we already have your information on file from past awards, then merely verify where and to whom the check should be sent.

The TRSC would also appreciate all award recipients acknowledging project support from the TRSC in the following manner: **“Partial (or full if the case may be) funding for this project was provided by a grant from the Taunton River Stewardship Council, stewards of the federally designated Wild & Scenic Taunton River.”** You will find the TRSC logo attached to this mailing for you to use in any project/program publicity. The TRSC would also appreciate a brief summary of the project and results at the conclusion of the project (progress updates may be sent through your local TRSC delegate to the entire Council at its bi-monthly meetings).

We look forward to hearing about the success of your project and to working with you to protect our outstanding natural resources in and along the Taunton River and its tributaries.

Best,
Bill Napolitano
